2. Partner Dashboard

Partner login dashboard:

- Dashboard / Home
- Active Plan details
- Plan validity
- Wallet

- Earnings / Commission summary
- Referral summary
- Registered users count
- Registered employers count
- Registered jobseekers count
- Active / inactive status

3. Partner Profile

Personal Details

- Name
- Mobile Number
- Email ID
- Gender
- Date of Birth
- Aadhaar Number – Optional
- Country
- State
- District
- City / Taluka
- Address
- Pincode

KYC Details

- PAN Number
- PAN Card Image
- Bank Name
- Account Number
- IFSC Code
- Passbook / Cancelled Cheque Image

4. Jobseeker Registration

Partner can register Jobseekers.

Registration fields:

- Name – Mandatory
- Mobile Number – Mandatory
- District – Mandatory
- Email ID – Optional

After registration:

- Set Password
- Jobseeker account creation
- Jobseeker login credentials
- Jobseeker profile completion
- Email/SMS/WhatsApp verification

Jobseeker categories:

- White-Collar Jobs
- Blue-Collar Jobs

Partner package based on **Jobseeker Registration / Activation commission** should be calculated automatically.

5. Employer Registration

Applicable based on Partner Package.

Partner can register / refer employers.

Employer registration includes:

- Employer Name / Company Name
- Mobile Number
- Email ID
- District
- Taluka
- Other required company details

After registration:

- Employer account creation
- Login credentials
- Employer profile completion
- Email/SMS/WhatsApp verification
- Employer activation

Employer referral commission should be calculated according to the Partner's active package.

6. Post Job on Behalf of Employer

If the employer is **active**, Partner can post a job.

Company Details

- Employer Code
- Company Name
- Industry Type
- Email ID
- Contact Number
- Company Logo
- HR Name
- HR Email
- HR Contact Number

Job Details

- Job Title
- Job Category
- Employment Type
- Number of Vacancies
- Work Mode
- Job Location
- Salary Range
- Other Benefits
- From Date
- Last Date to Apply

Candidate Requirements

- Gender
- Qualification
- Experience
- Skills
- Job Description

Important: Job posting permission should depend on the employer's active status and applicable package/business rules.

7. Referral Management

Partner should be able to manage the users/employers referred by them.

Referral types

- Jobseeker Referral
- Employer Referral
- Partner Referral — applicable according to package
- Agent Referral — applicable for Diamond package

Partner should be able to view:

- Referral Name
- Referral Type
- Registration Date
- Activation Status
- Current Status
- Commission Earned
- Commission Pending
- Commission Paid

8. Partner Commission

Commission calculation should be package-based.

Partner Plan	Validity	Resume Download	Commission
Silver	₹100 / 90 Days	₹20 / Resume	₹10 per Jobseeker Registration
Gold	₹300 / 90 Days	₹5 / Resume	Employer Referral – 10%
Platinum	₹1,000 / 90 Days	₹5 / Resume	Employer Referral – 40%
Diamond	₹3,000 / 90 Days	₹10 / Resume	Employer Referral – 60%; Agent Referral – 30%
Diamond Plus	₹2,000 / 90 Days	200 Resumes; ₹5 additional; Minimum ₹500	Partner & Employer Referral – 20%

Commission should be applicable only when the Partner is active, wherever specified in the requirement.

9. Partner Package Management

Partner can have one of the following plans:

- Silver
- Gold
- Platinum
- Diamond
- Diamond Plus

Each plan should contain:

- Plan Name
- Amount
- Duration
- Active / Inactive
- Show / Hide
- Product / Service limits
- Registration commission

- Activation commission
- Referral commission
- Resume download charges/limits

If a package is hidden, it can be activated by an authorized Team Member/Admin.

10. Wallet

Partner wallet should maintain financial transactions.

Wallet features

- Current Wallet Balance
- Total Earnings
- Referral Earnings
- Registration Commission
- Activation Commission
- Resume Download Charges
- Referral Commission
- Credit Transactions
- Debit Transactions
- Transaction Date
- Transaction Description
- Transaction Status

11. Resume / Candidate Access

Based on Partner's active package:

- Resume download
- Resume download charge calculation
- Download history
- Candidate details access
- Remaining resume/download balance

The applicable resume charge should automatically be deducted from the Partner wallet or according to the configured package rule.

12. Partner-to-Partner Referral

Applicable for higher-level Partner packages.

Platinum

Can refer:

- Silver Partner
- Gold Partner

Diamond

Can refer:

- Platinum Partner

Diamond Plus

Can refer:

- Partner
- Employer

Registration and activation commission should be calculated based on the configured percentage/value.

13. Partner Verification

Partner account verification can be configured through:

- Email
- SMS
- WhatsApp

Partner should not receive applicable benefits/commissions until the required verification/activation conditions are satisfied.

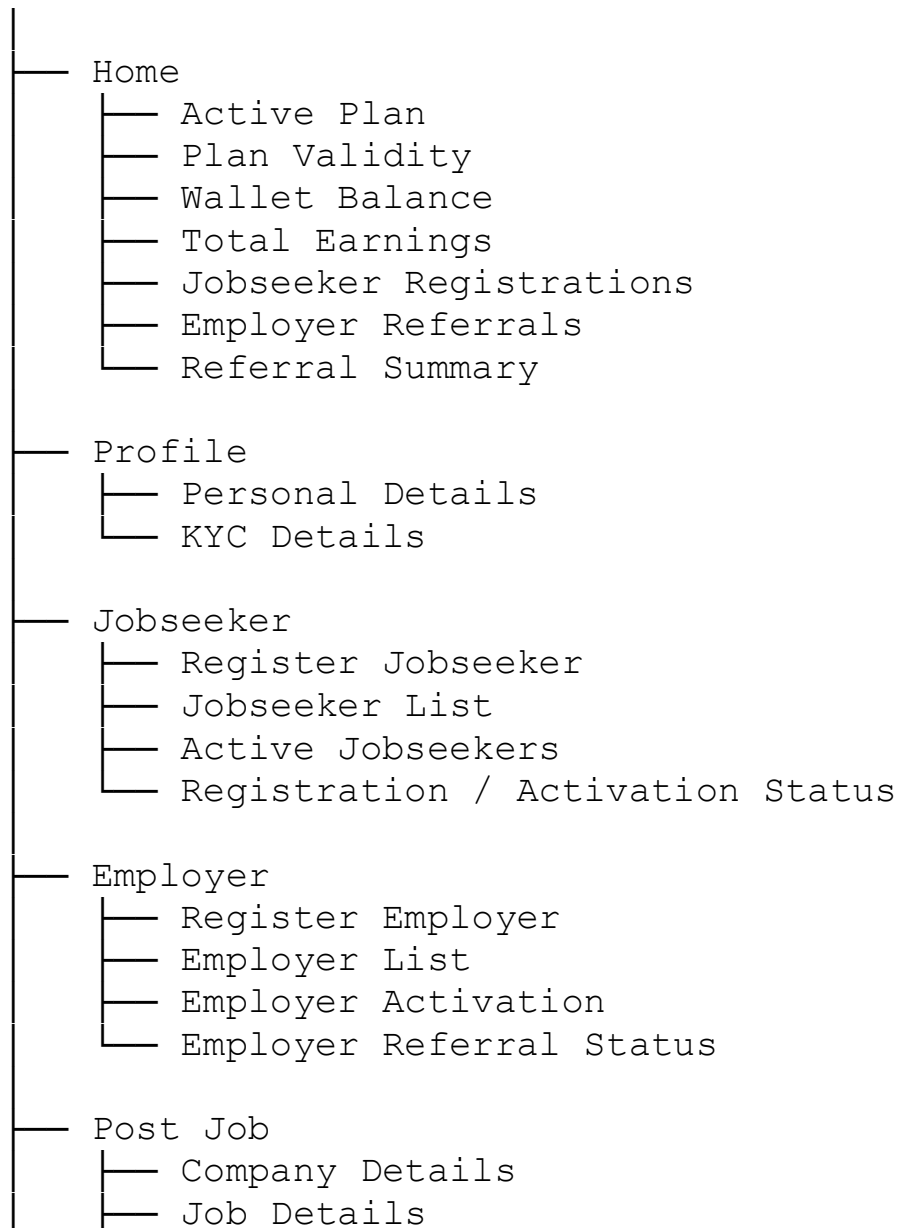

14. Donation

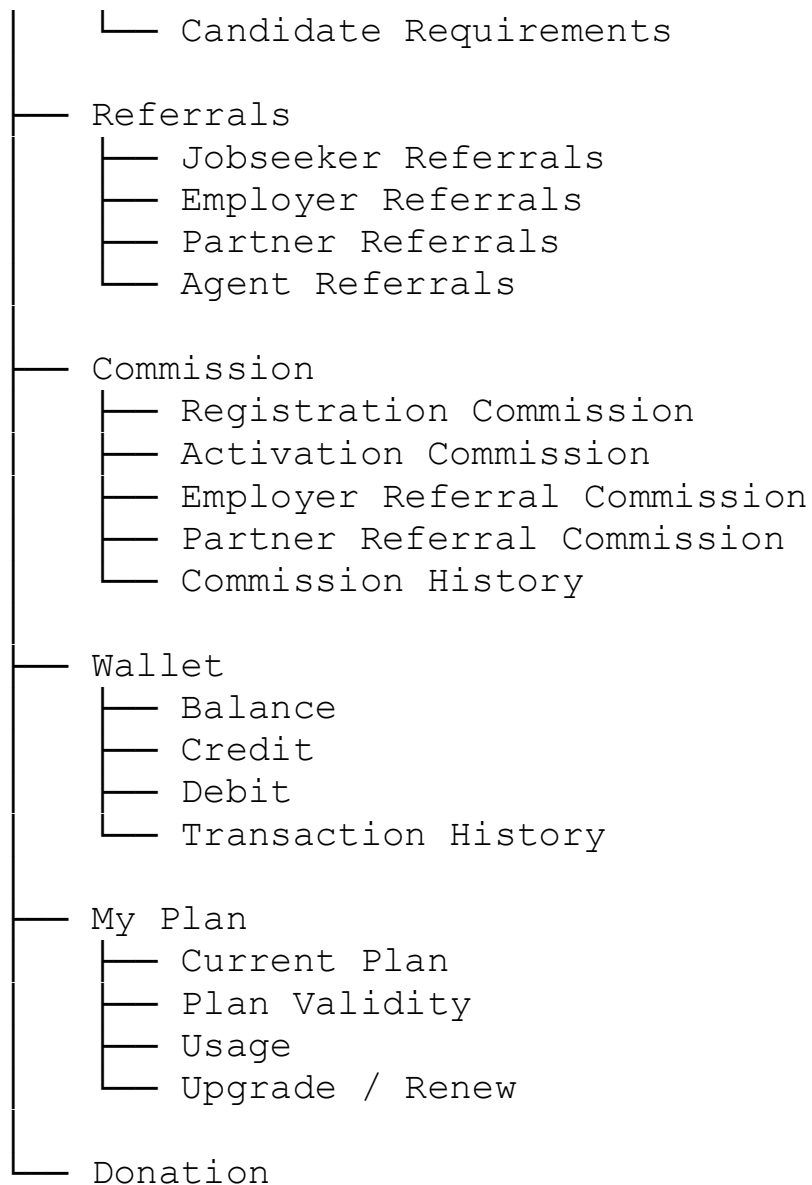

Partner dashboard should also provide access to the **Donation** section.

- Donation option
- Online payment
- Donation transaction status
- Payment confirmation

15. Partner Dashboard – Suggested Menu

Partner Dashboard

Overall Partner role scope: Partner- main purpose **Jobseeker registration + Employer referral/registration + Job posting + Partner referral + commission earning + wallet management.**
